Javascript

## RELEVANT PROJECTS

**COLLAPSIBLE BABY TUB**  
Silicone baby tub prototype that reduces storage space.

**AM**  
Feeding solution for infants with a cleft palate in developing countries.

**SAFI**  
Fridge that helps reduce food waste through innovative forms and the introduction of new technologies. Worked in collaboration with Kenmore.

**VIBE**  
A smarter way to gather feedback and improve communication in the workplace by making it easy to input and analyze data with meaningful visualizations.

## INTERESTS

## EXPERIENCE

JUNE 2016 – AUGUST 2016

### **DESIGN INTERN | Mahaguthi, Nepal**

Worked with a fair trade organization to design a line of culturally appropriate home good products using different mediums.

JUNE 2015 – AUGUST 2015

### **UX/INTERACTION DESIGN INTERN | SAP d.studio**

Collaborated with visual designers, researchers, and product managers to design experience solutions for an SAP web service.

SEPTEMBER 2014 – MAY 2015

### **VP OF MARKETING | JIFFI**

Designed branding materials for JIFFI, a financial services nonprofit that promotes financial empowerment of the South Bend citizens and community. (jiffi.org)

MARCH 2014 – MAY 2015

### **GRAPHIC DESIGN INTERN | Notre Dame Athletics**

Created promotional pieces to showcase Notre Dame Athletics for recruiting in the football, softball, and women's golf teams.

OCTOBER 2014 – MAY 2015

### **GRAPHIC DESIGNER | Computer Science Research Team**

One of two designers that created graphics and envisioned user interactions for the apps or websites built by the research team.

APRIL 2014 & APRIL 2015

### **DESIGNER | Hesburgh International Scholars Experience Program**

Collaborated with the Notre Dame International Admissions office to design brochures, booklets, and agendas for prospective students' visits.

JULY 2014 – AUGUST 2014

### **INTERN | Alquimia**

Developed infographics and presentation decks for internal use as well as for clients. (alquimiag.com)

## AWARDS

FALL 2015

### **UX Award & IxDA People's Choice Award**

The project I worked on over the summer, SAP Splash, won the Honorable Mention UX Award in 2015 and is listed for the 2016 IxDA People's Choice Award.

APRIL 2015

### **SIBC Design Competition**

Won 2nd place in a design competition, at Notre Dame, that involved creating promotional materials for a restaurant of choice.

SUMMER 2014

### **ASFG ArtFest Logo 2014**

First place in competition open to the public to design the 2014 American School Foundation of Guadalajara (ASFG) Art Fest logo. (asfg.mx/atschool/artfest.aspx)
